Registering a learner on FETCH

*The learner must have access to email or an Irish mobile number to register

1. Go to www.fetchcourses.ie
2. If the learner has already registered get them to sign in. If not, they need to create an account. The links to **sign in** and **register** are underneath the European Union logo on the top right of the page. They will need to enter basic information and select a password. Learners cannot register without a PPSN.
3. When they have completed the registration process ask them to click on My Details

4. They will now see 5 tabs (see below) in which they will need to enter information. The last (Further Details) should be completed when they start the course. They will be required to re-enter their password to enter this field.

5. After they have entered their information they can apply for a course by clicking on Course Finder

Free English Language Classes

Apply Now

6. Enter the code into the search field, select the course title and click on:

7. The information on the next page will be pre-filled. Learners need to check this is correct, select the “Agreement*” box and confirm that they have read and accepted [the Data Acknowledgement Statement](#)

Apply Now

8. Click on to generate a confirmation of application.

9. The application will go to the course contact person who will process the application and contact the learner or start them on the course.

10. If a learner has registered previously, they should check and update their information in all fields above.
