A chairde,

Fearaim fórchaoín fáilte romhaibh.

It is a pleasure to welcome you to **The Lifelong Learning Festival**, an event devoted to the exploration and celebration of learning in its many forms.

The festival's motto of **Explore, Create, Celebrate**, is very evident this week in the various learning festivals throughout Cork county.

With its emphasis on celebration, the festival highlights the fact that learning is no longer seen as something that happens only in classrooms - it is a process which happens in many settings and throughout life. As a society and economy changing at an ever increasing pace, building our capacity to learn and adapt is critical to all of us achieving our full potential. It is an opportunity for people of all age groups and cultures from new communities to showcase their work and to explore new opportunities. It also highlights the power of community endeavour and good will. I am delighted to see the renewed interest in the Irish language and in traditional crafts such as woodcraft and welding.

As an education and training organisation, Cork ETB recognises the importance of our role in supporting and continuing our linguistic and cultural heritage.

I would like to welcome to this year's programme, Ionad Áise in Reidh na nDoirí in the Muskerry Gaeltacht (Gaeltacht Mhúscraí) who are hosting events such as bingo and a knitting workshop all through Irish. Events such as speed gaeilge, playing cards as gaeilge, experiencing Ukrainian culture and conversational spanish are also a welcome addition to this years festival programme.

The festival has something for everyone, so please join us and celebrate this diversity of learning, its artistic expression and its potential for creating change.

My sincere thanks to all those involved in organising the festival.

Comhghairdeas ó chroí libh go léir. Bainigí sásamh as na himeachtaí.

Le gach dea-ghuí
